HIGH SCHOOL SENIOR PORTRAITS

Greg@GregoryJohnPhotography.com 262-527-3380

Here are my prices for a photo shoot, and some sample photo pricing as of July, 2007

You are not obligated to purchase 'packages'. Just buy the individual photos you want.

All photo sessions for Senior Portraits include the following:

- Creation and delivery of image to your high school yearbook committee
- Professional Lab Color Correction of images purchased for prints & yearbook
- Minor re-touching (blemishes, etc.) of images purchased for prints & yearbook
- Online posting of all images for proof review (password protected)

When you're comparing Gregory John Photography to other photographers, make sure you calculate the TOTAL price you will pay after you add in all of **their** photo packages and extras!

All prices for prints that are quoted here are for Kodak Professional "E" Surface, similar to a lustre finish. Glossy and metallic finishes are also available at a slightly higher cost.

The "Unlimited" Standard / On Location

I will shoot either at my studio, or for a little extra, do an 'On Location' shoot at your home or other locations. At your location makes it EASY for you, with unlimited clothing changes, poses and backgrounds while having all of your personal items right there --
-- no worries about forgetting things!!

It also includes using blue or green screen technology shots to give you several dozen digital background choices. Variety and Worry-Free!

<u>Hours Purchased</u>	<u>On Location Fee</u>	<u>My Studio * Fee</u>	Summer Special!!! INCLUDES one of the following:
1	\$165	\$115	1 - 8 x 10
2	\$250	\$200	or 2 - 5 x 7s

4	\$400	\$350	or 1 - 5 x 7 and 4 wallets
6	\$500	\$450	

Note that the first 15-20 minutes of time purchased is for setup time (AFTER a clear area is provided).
For On Location shoots, I will arrive a little earlier than the contracted time to help insure setup is completed.
Customers have the responsibility of having an area clear so some lighting stands and a backdrop can be set up.
Outside locations should be neat as well.

* "My Studio" includes outdoor settings, weather permitting

If my schedule permits, time can be added during the session at a cost of \$70 per half hour. Remember, the clock starts running at the scheduled appointment time, or when I get to your location should unforeseen circumstances make me late.....
